

Electric City 2021 – Wind energy, defence, and aviation	
Where: Meeting room 5, Bella Centre	Date: Thursday 25 November 2021
Contact: mattia.cecchinato@windeurope.org	Open to: Delegates with a pass for Electric City

The coexistence between offshore wind and defence activities

9.15 – 9.45	Welcome and introduction	
9.45 – 11.00	#1 The international perspective <i>Chair:</i> Dujon Goncalves-Collins, Vattenfall	The offshore wind perspective: technology, expansion and need for space, <i>Mattia Cecchinato, Offshore Analyst, WindEurope</i>
		The defence perspective: Presentation of the results of NATO ENSECCoE study – <i>Marju Korts, Subject Matter Expert, NATO ENSECCoE</i>
		Discussion: how to foster coordination at international level
Report on the recent engagements between WindEurope and international defence bodies (<i>Dujon Goncalves-Collins, Vattenfall, and Giles Dickson, WindEurope</i>)		
11.00 – 11.15 Break		
11.15 – 12.45	#2 Practical examples of collaboration between offshore wind and defence <i>Chair:</i> Steve Smith, Thales	From international coordination to national collaboration: establishing a “Military Surveillance & Communication” site offshore. <i>Daniel Mortensen, Orsted</i>
		The Belgian example, <i>Karel Buijsse, Strategic Product Manager, e-Bo, and Commander S.G. Kurt De Winter, Belgian Navy.</i>
		The UK example – Air Defence & Offshore Wind; Working Together Towards Net Zero. <i>Group Captain Nick Robson, Head of DAATM, and Ian Toothill, Vice-chair of OWIC Aviation Workstream</i>
		Discussion
12.45 – 13.00	Wrap-up and conclusions	

Permitting wind farms: focus on aviation

(Afternoon session)

13.45 – 15.00	#3 Permitting overview <i>Chair: Mattia Cecchinato, WindEurope</i>	Overview of barriers and best practices in permitting across EU - <i>Jurga Tallat-Kelpsaite, Senior Project Manager at Eclareon, and Dominik Seebach from Öko-Institut.</i>
		Discussion and recommendations
15.00 – 15.45	#4 Focus Session: Lighting and marking <i>Chair: Andy Knill, RenewableUK</i>	ADLS technology – From international to national implementation, <i>Mattia Cecchinato, WindEurope</i>
		Discussion and industry position
15.45 – 16.00	Wrap-up and conclusions
