

Are you a START-UP?

We all know that On & Offshore wind needs fresh voices and new ideas to fulfil its potential. The Innovation Park is our pavilion designed to showcase your research and findings.

THE GOAL?

We want to give you a high-profile presence on the exhibition floor (Hall A). With a prime location and a stage on which you can pitch your project, the Innovation Park puts you before the event audience and gives you great visibility and networking opportunities. All of this for €1,700.

BENEFITS

DISSEMINATION

- Your own dedicated exhibition space where you can showcase slides, give information, and hand out flyers/reports on project activities
- A guaranteed speaking slot on the stage to pitch your project

VISIBILITY

- Printed logo on your exhibition space
- Entry in the exhibitor list
- Dedicated page on our event website
- Social media coverage before and during the event

NETWORKING

- Opportunity to reach out to a large and broad audience
- Meeting spaces
- Connection with other innovative projects
- Consortia-building opportunities for future projects

PACKAGE

FOR €1,700 (excl. VAT), YOU WILL GET:

2 exhibitor
staff passes

1 exhibition pod

1 logo printed
on the counter

Space for
your banner

1 speaking slot at the
