For this edition we continue our partnership with sustainable properties such as:

SCANDIC HOTELS

From Talk to Action

As the largest Nordic hotel chain, we feel a big responsibility for our planet and what we leave behind. The majority of our 270 hotels are certified with the Nordic Swan label or other environmental certifications. The Nordic Swan is the official ecolabel of the Nordic countries and is one of the toughest ecolabels to achieve.

For more sustainability information: <https://www.scandichotels.com/explore-scandic/sustainability>

CABINN HOTELS

From Talk to Action

Sustainability is a very big part of the CABINN concept. We don't just talk about the best way that we can take care of the environment. We do something about it. This is clearly shown in our hotels themselves. They are conceived, designed and built to give our guests a positive hotel experience with lower energy consumption.

For more sustainability information: <https://en.cabinn.com/environmental-policy>

RADISSON HOTELS

From Talk to Action

We are passionate about caring for others, and that extends beyond the walls of our hotels. We believe in conducting business ethically in all we do and want to be a thriving, sustainable and responsible business for people, the community and our planet.

For more sustainability information: <https://www.radissonhotels.com/en-us/health-safety>

BC HOSPITALITY GROUP (AC BELLA SKY, CROWNE PLAZA)

From Talk to Action

BC Hospitality Group is a Green Key business since its opening. This means that you automatically help preserve the environment, as we meet Green Key's stringent environmental requirements. We make it easier for you to care for the environment without diminishing your experience or comfort. Green Key is an eco-label available worldwide awarded to tourism businesses in more than 60 countries

At BC Hospitality Group we base our work on the concept of Responsible Hospitality. This means that we, in addition to delivering the best possible service for our guests and customers, also take responsibility for the impact that our business has on society and the environment and strive to affect our surroundings positively.

Sustainability in Kuoni Congress

At Kuoni Congress we see ourselves reflected in the growing commitment of the events industry towards sustainability, with its increasing amount of measures and standards that reveal best practice and foment a culture of continual improvement. Increased interest in sustainability from our clients, who seek to assure that their own supply chain is robust and reliable, further encourages us to provide a service that permits our clients to comply with the values that they seek to uphold.

Kuoni Congress began its sustainability journey back in early 2016. The division is addressing many topics in its commitment to reduce its impact and promote responsible business practices, parts of which coincide with the UN Sustainable Development Goals (SDGs), and also following the ISO20121 standards.
