

## WIND ENERGY INITIATIVE

### ON SUPPLY CHAIN SUSTAINABILITY

Thursday 10 April, 10:00 – 12:00  
Bella Centre, Meeting room 180  
Copenhagen, Denmark

#### Scope

In 2024 six leading companies in the wind energy supply chain launched the Wind Energy Initiative. The initiative is supported by Ecovadis and WindEurope.

Together we want to accelerate the energy transition and achieve a positive and lasting Environmental, Social and Governance (ESG) impact. We'll work together with all value chain partners to enhance ESG transparency and elevate the performance standards of suppliers within the wind energy industry.

Join us in Copenhagen to see the first results of the Wind Energy Initiative and discover how you can join the Initiative !

## HOW TO REACH THE VENUE

### By air

Bella Center Copenhagen is just a 10 minute taxi ride from Copenhagen Airport (estimated price: DKK 150-200/ € 20-27).

A regional train also runs from the airport to Orestad Station. From there, you can travel to the Bella Center station (1 stop on line M1), which is located next to the Bella Center's east entrance.

### By bus/metro

Bus line 30 runs between Vesterport Station (via the central station) and the Bella Center. Bus line 4A runs from Svanemøllen Station to Sundbyvester Plads via Valby Station and Sjælør Station.

The metro line M1 runs between Vanløse and Vestamager (West Amager). The metro station is located next to the Bella Center's east entrance.

### By train

If you plan on travelling by train, the Bella Center is within reach from Copenhagen Central Station. To get to and from Copenhagen Central Station, you can take the bus line 30, which takes 20-25 minutes. All regional trains also stop at Ørestad Station, where you can transfer to the metro to get to Bella Center Copenhagen.

### By car

The Bella Center is ideally suited for visitors who come by car. It is situated alongside the so-called "Airport Motorway" (E20). The exit to the Bella Center is called "Orestad" (number 19). Up-to-date traffic information can be found at [trafikinfo.dk](http://trafikinfo.dk)
