

Dear Exhibitor,

Are you launching a new product? Do you have big news that you would like people to know about? Upload your press releases here so everybody can read about it! It's a great opportunity for you to get visibility for your latest releases, products or services.

How to do it?

Log in to the [Press services section](#) of the Exhibitor Zone. There you will find an online form where you can upload your press release. As press releases need to be first checked and approved internally, please allow us up to 2 working days for your press release to go live on the website.

Any questions?

Contact our press team: [press@windeurope.org](mailto:press@windeurope.org).

Kind regards,

WindEurope
