Event Logistics Solutions [HERE](#)

The published tariff provides a framework of indicative charges designed to support planning and budgeting however, it remains flexible and open to interpretation based on individual event needs.

We are committed to supporting start-ups, emerging brands and budget-conscious clients by working collaboratively to develop practical, cost-effective logistics solutions, ensuring your event is delivered successfully without compromising quality or service.

Our objective is to remove financial barriers and take a consultative approach to adapt and optimize costs wherever possible.

Encouraging exhibitors to showcase their products effectively, maximizing visibility, engagement, and value from their participation at WindEurope 2027.
