

Courtyard® Vilnius City Center

OPENING APRIL 2018

The Courtyard® Vilnius City Center will offer you the perfect balance between work and relaxation. You will be able to get connected 24 hours a day with complimentary high-speed internet and well-adapted guest rooms to develop your work activities.

Hotel is located in the modern growing business district, overlooking city's landmark Gediminas' Tower and 5 min. walk from the main local attractions.

You'll also enjoy inviting, flexible **Media Pods** spaces where you can work or relax, free **Wi-Fi** throughout and easy access to the latest news, weather and airport conditions via our **Go-Board** technology.

Plus, our well-equipped **Fitness Center** will help you stay refreshed and energized.

You will be able to find everything you need to stay on task at the 24/7 convenience store in the lobby – **The Market**. Our **Restaurant**, **Lobby bar**, **Summer terrace** will have healthy choices, a variety of International breakfast, lunch and dinner options, specialty beverages.

Whether traveling for business or pleasure, your stay at Courtyard® Vilnius City Center is sure to be more comfortable, more productive and more enjoyable than ever before!
